- ~ Skin Problem
- ~ Indigestion/Acid Reflux
- ~ Consume Fast or Processed Foods
- ~ Drink Soda or Artificial Sweeteners

HAVE YOU SEEN THE STATISTICS? Leading trends...

- ~ 1/3 of U.S. adults & children are overweight, obese or morbidly obese
- ~ Obesity related disease is the leading cause of death
- ~ Auto-immune disease is the fastest growing diagnosis in the U.S.
- ~ Cancer and Diabetes are increasing at a staggering rate
- ~ Most diagnosed conditions can be improved with lifestyle changes

DO YOU KNOW ANYONE WITH:
High Blood Pressure, High Cholesterol, Depression, Cancer, Diabetes, Neurological Disease or Auto-Immune Disease?

WHY ALL THE DISEASE? We fill our bodies with processed and GMO foods

- ~ SO much SUGAR and artificial SWEETENERS
- ~ 70% of the Western Diet is made up of processed foods
- ~ Meat, dairy and poultry is filled with antibiotics and fillers
- ~ We're been GLUTENED in everything from food to cosmetics
- ~ Our food is full of chemicals and preservatives.
- ~ Fruits and vegetables are genetically modified (GMO) and sprayed with herbicides and pesticides

We need a way to reset and restart.

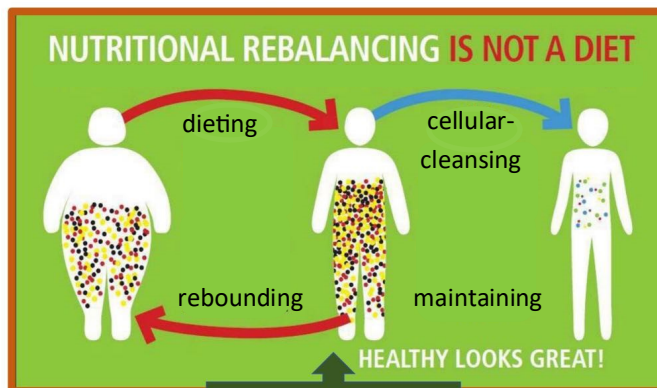

WHY WE DETOX 30 days. eliminate. replace. restore.

- ~ Cleanse the Liver, Kidneys and Colon ~ Boost Immune System
- ~ Cleanse Digestive Tract of Excess Waste ~ Balance Blood Sugar
- ~ Reduce Inflammation ~ Increase Weight Loss ~ Increase Energy

The body "wraps" fat around toxins (pesticides, metals, BPAs, preservatives) like bubble wrap to protect our major organs. More TOXINS=more FAT

No more yo-yo dieting!

When you detox the body and give it what it needs, it can often heal itself of serious issues and releases unwanted weight

- What We Avoid

- ~ Acidic, Allergenic & Inflammatory Foods
- ~ Dairy products (Animal milk & cheese)
- ~ Gluten - Wheat, Rye or Barley (crackers, bread, cereal, pasta, cookies, cake, etc.)
- ~ Processed foods (Most things that come in a box or bag with ingredients you can't pronounce or identify)
- ~ Coffee, Soda, Alcohol
- ~ Artificial Sweeteners & Refined Sugar
- ~ Corn
- ~ Soy
- ~ Whey Based Products

+ What We Eat

- ~ Nutrient Dense Foods
- ~ Fresh fruits & vegetables (low GI)
- ~ Brown Rice & Brown Rice Pasta
- ~ Olive Oil, Coconut Oil
- ~ Oatmeal ~ Quinoa ~ Beans ~ Lentils
- ~ Nuts & Seeds ~ Nut Butters
- ~ Organic eggs
- ~ Organic Chicken ~ Turkey (nitrate/nitrite free)
- ~ Grass fed beef
- ~ Omega 3 Fats: Wild caught fish, Avocados
- ~ Vegan Protein
